QUICK 'n' DIRTY BOAT-BUILDING CONTEST

The Quick 'n' Dirty Boat-Building Contest is a two-day fun-filled festival in & of itself. Up to 20 teams compete to be the first to float to the finish line. The teams bring a Mardi Gras feel to the festival by picking themes, naming boats, & dressing up in costumes. The colorful boat parade & exciting boat contest highlight the event. Trophies are given for 1st, 2nd, & 3rd places in the contest and for "Best in Show." There is also a Shipshape Award for construction and a "Subsurface Cruiser" for the crew who experiences "that sinking feeling".

Entries will be accepted on a first-come, first-served & space-available basis. The entry fee is \$150.00. A team is generally made up of 4-6 members. The WBF Committee reserves the right to reject any application at their discretion. Participants must be approved by the WBF Committee. All entries must include signed crew waivers & completed team roster with shirt sizes before application will be approved by the WBF Committee. If accepted, each team member will be given one (1) Quick 'n' Dirty t-shirt & a festival pass for each day of the festival. Any additional people must purchase tickets at the gate. Adult admission is \$10.00.

No crew member can participate without a signed Waiver of Liability, Assumption of Risk and Indemnity Agreement on file. Participants not following rules as listed will be asked to leave.

*****Join us for other festival fun! Our annual Sponsors and Patrons Party, **Maritime Mania** will kick off the weekend's festivities at the Museum on Friday evening, October 13th from 7:30 until 10:30 p.m.

The Wooden Boat Festival is the primary fundraiser for the Lake Pontchartrain Basin Maritime Museum and Research Center, a 501(c)(3) nonprofit organization. All proceeds from the festival support the day-to-day operations of the museum and the expansion of new educational exhibits and programs that make maritime history come to life. We hope that you will join us in celebrating the heritage of the Lake Pontchartrain Basin region and the people of Southern Louisiana.
